REQUEST FOR CERTIFICATE OF CORRECTION UNDER 35 U.S.C. 254

Sir:

Applicants respectfully request a Certificate of Correction of Patent and Trademark Office mistake pursuant to 35 U.S.C. 254. Applicants submit that claim 8 as amended in the Response dated January 3, 2006 was mistakenly omitted by the Examiner in the Notice of Allowability mailed on February 13, 2006. Therefore, Applicants respectfully request that the subject matter of claim 8 as amended in the above-mentioned Response be inserted in U.S. Patent 7,064,670 at column 12 at line 58 as follows:

21: The tag of claim 5 wherein the proximity sensor is one of the following: a capacitance sensor, a skin or body temperature detector, a skin color detector, a body or a skin odor sensor, heart pulse detector, SpO2 detector, skin humidity sensor, trans dermal blood alcohol sensor.

Applicants further note that the subject matter of claim 8 as amended in the January 3, 2006 Response has been renumbered as claim 21 so that the Certificate of Corrections Branch does not have to renumber issued claims 8-20.

Applicants have enclosed herewith a Certificate of Correction form, PTO/SB/44 which details the same.

OCT 10 2006

No fee is believed due. If any additional fees are deemed to be due at this time, the Commissioner is authorized to charge said payment to Deposit Account No. 50-0552.

Respectfully submitted,
